

Unit 1 Main Project Self Critique

Assignment:

Main Project Self-Critique

Due uploaded before the beginning of class Thursday, February 12th

Upload to the safe assign link for Unit 1, place in the *Self-Critique* in the Unit 1 folder

For each of your designs write a short paragraph to discuss how the design met or did not meet the following criteria.

- Followed and appropriately interpreted the given criteria
- Level of complexity of the design
- Craftsmanship and presentation
- Innovation and creativity in the design
- Demonstration of design concepts

Word-process your self-critique and print out a hard copy to turn in to me. If your printer is down, email your self-critique to me as a word doc attachment. Make sure to include a proper simple heading that includes your name, the assignment, class, and the date. It should be clear in each of your four paragraphs, which design (1-4) that you are referring to in your discussion.

Make sure that you include a simple map or diagram on the back of your illustration presentation board numbering the corresponding designs.
